Christian Chapel.

Religious services will be held at the Christian Chapel, on Center street, next Sunday, Dec. 20, at 10: A. M. and 7 P. M. Preaching by Elder H. V. Reed, editor of the *Restitution*. The Chapel has been thoroughly repaired and furnished, and is now a very pleasant and comfortable room for church services. The public are cordially invited to attend. In future, regular services will be held at the Church on the first and third Sunday of each month.

Married—At the M. E. Church, in this city, on Saturday, Dec. 12th, Rev. J. C. STEPHENS to Mrs. JENNIE L. BENSON. The ceremony was performed by Rev. L. C. Buckles, of Crawfordville, assisted by Rev. T. Meredith, of Vandalia.

The Marriage—The happy couple went to Chicago, accompanied by Mr. and Mrs. C. T. Mattingly, on the evening train, and remained there until Monday evening, when they returned. A number of their friends gave them a very pleasant reception, at the residence of Mr. Greenwaldt, at the R. R. depot, with a good supper, the materials for which had been brought in by the ladies. Between two and three hundred persons, old and young, were there to congratulate, and welcome Mr. and Mrs. Stephens home. After an hour or more spent in social chat, the people retired to their homes, well pleased with the events of the evening. As a token of respect, a beautiful silver plated cestor was informally presented to Mr. and Mrs. S., by friends.

Letters from Mr. Bender.

We received two letters from Mr. Bender, this week. One was written at St. Louis, and the other in London. He was well, after a delightful voyage. We will publish them next week.

Argos Items.

BY "BRIMSTONE."

Argos, Dec. 15, 1874.

—Our merchants are getting on their holiday goods.

—The race horse "Rodney," has gone back on his master.

—Can't some of our friends make us a christmas present, of a new pocket-book, as our old one has collapsed, and none of the merchants will trust us for one.

—The Brown Brothers, have a fine selection of jewelry in their show-case, at Leslie's.

—The frequent changes in the weather lately, is rather detrimental to health.

The M. E. Sunday School, talk of having a christmas tree, on christmas eve.

The Christian Sabbath School proposes, to have a Festival and Concert at the new School-house, on christmas night. The following programme has been agreed upon: 1st, Supper; 2d, Music; 3d, Report of Superintendent and teachers; 4th, Speeches, Music, &c.

The Walnut township Teachers' Institute, met at Argos, last Saturday, in accordance with previous arrangement; and was presided over by H. Atkinson, Trustee. The attendance was fair. The order of business, we are not able to report, as we were not present but a short time, during the afternoon session. Our town teachers failed to attend, assigning as a reason therefor, that they had no special invitation. We will endeavor by the next meeting to have invitation cards issued for their especial benefit.

—The gentleman, who a week or two since, in writing up a few items for the *Pourbon Mirror*, reported a few cases of *ague* in this vicinity, which he said were magnified into something more serious for the especial benefit of the attending physicians, has since come to the conclusion that he was mistaken in his diagnosis; and, fearing the effects of such a poisoning on his own system, has concluded to take "sumthin'" as a prophylactic judging from the frequent repetitions of the prescription. We opine the medicine is not very disgusting to his palate.

—Some of the citizens of Walnut, had a house warming, last Friday evening at which some of the young bloods "got so warmed up," that they concluded to throw the house out at the window; and accordingly commenced by knocking the stove-pipe down, kicking the stove out of the house, and kicking it to pieces after they got it out. They then undertook to kick a member of the family, for interfering with their sport. This resulted in kicking up a general row, and the scene closed amid a general excitement. Curtain falls.

—Mr. Alec Bland, purchased of Hi Hess, yesterday two hogs, the gross weight of which was 910 lbs.; one weighing 500, lbs., and the other 410 lbs.—Mr. Bland says, that to-day he will ship the best cur-load of hogs that has ever been shipped from Marshall county—average weight being something over 400 lbs. per head.

—We are requested by interested parties to say, that wheat crops grown by Mr. Chas. Huff, as reported in last week's *REPUBLICAN*, was of the variety called Gypsy; also, that grown by Mr. Taylor, yielding 35 bushels per acre, as reported in some time since, was the same variety. Last grown by Mr. Stephenson, of Centre township, which was the best general average considering the amount of ground. Worth Paper.

Grasshoppers!! Grasshoppers!!!

Day after day the sad news comes to our ears from the thousands who are in a suffering, perhaps starving condition, while we are blessed with plenty, and the privilege of buying our groceries at the cheap store of Pershing & Wilfong's, where we would advise all to call and get their groceries of them. They pay the highest market price for country produce. Remember the place, Postoffice Building, Plymouth, Ind.

No Excuse for Being Sick.

No other manufacturer of Medicine ever gave their Preparations such a test as this. Go to your druggist, L. Tanner, and get a bottle for 75 cents and try it—two doses will relieve you. 27y1

Centaur Liniment!

There is no pain which the Centaur Liniment will not relieve, no swelling it will not subside, and no lameness which it will not cure. This is strong language, but it is true. It has produced more cures of rheumatism, neuralgia, lock-jaw, palsy, sprains, swellings, etc., upon the human frame, and of strains, sprains, galls, &c., upon animals in one year than have all other pretended remedies since the world began. It is a counter-irritant, an all healing pain reliever. Cripples throw away their crutches, the lame walk, poisonous bites are rendered harmless, and the wounded are healed without a scar. It is so simple. The recipe is published around each bottle. It is selling as no article ever before sold, and it sells because it does just what it pretends to do. Those who now suffer from rheumatism, pain or swelling, deserve to suffer if they will not use Centaur Liniment. More than 1000 certificates of remarkable cures, including frozen limbs, chronic rheumatism, goat, running tumors, &c., have been received. We will send a circular containing certificates, the recipe, &c., gratis, to any one requesting it. One bottle of the yellow wrapper Centaur Liniment is worth one hundred dollars for sprained or swollen horses and mules, or for screw-worm in sheep. Stock owners—this liniment is worth your attention. No family should be without Centaur Liniment. Sold by all druggists. 50 cents per bottle; large bottles \$1.00. J. B. Ross & Co. 53 Broadway, New York.

Centaur Liniment!

Centaur Liniment is more than a substitute for Castor Oil. It is only a safe and reliable remedy, which is certain to assimilate the food, regulate the bowels, cure colic, and produce natural sleep. It is pleasant to take. Children need not cry, and mothers may rest.
